

Adhesive tape P34

| | |
|-----------------|---|
| Backing | Polyester film |
| Adhesive | Acrylic |
| Dimensions | Width on request (tolerance ± 0.2 mm) Rolls length (standard) 50 mts Inner core 76 mm ($\pm 3\%$) |
| Standard colour | Sun Yellow (standard) |
| Application | Motors Transformers |

| | |
|---------------|-----------|
| Thermal class | 130°C – B |
|---------------|-----------|

| Technical data | | Values | |
|-------------------|---------------|----------------|----------------|
| | | Not lower than | Typical |
| Backing thickness | μm | | $23 \pm 10 \%$ |
| Total thickness | μm | | $60 \pm 10 \%$ |
| Peel adhesion | N/cm | | 3.5 |
| Elongation | % | | 90 |
| Tensile strength | N/cm | | 40 |
| Breakdown voltage | kV | 4.5 | |

| | |
|--------------|-----------------------------|
| Storage | 6 months |
| Test methods | AFERA, PSTC, IEC EN 60454-2 |
